ABOUT OUR COMPANY

Armed Group is a multi-disciplinary B2B company with over 24 years of expertise, offering integrated services that empower businesses to build, operate, and grow through reliable, high-standard, and scalable solutions.

VISION & MISSION

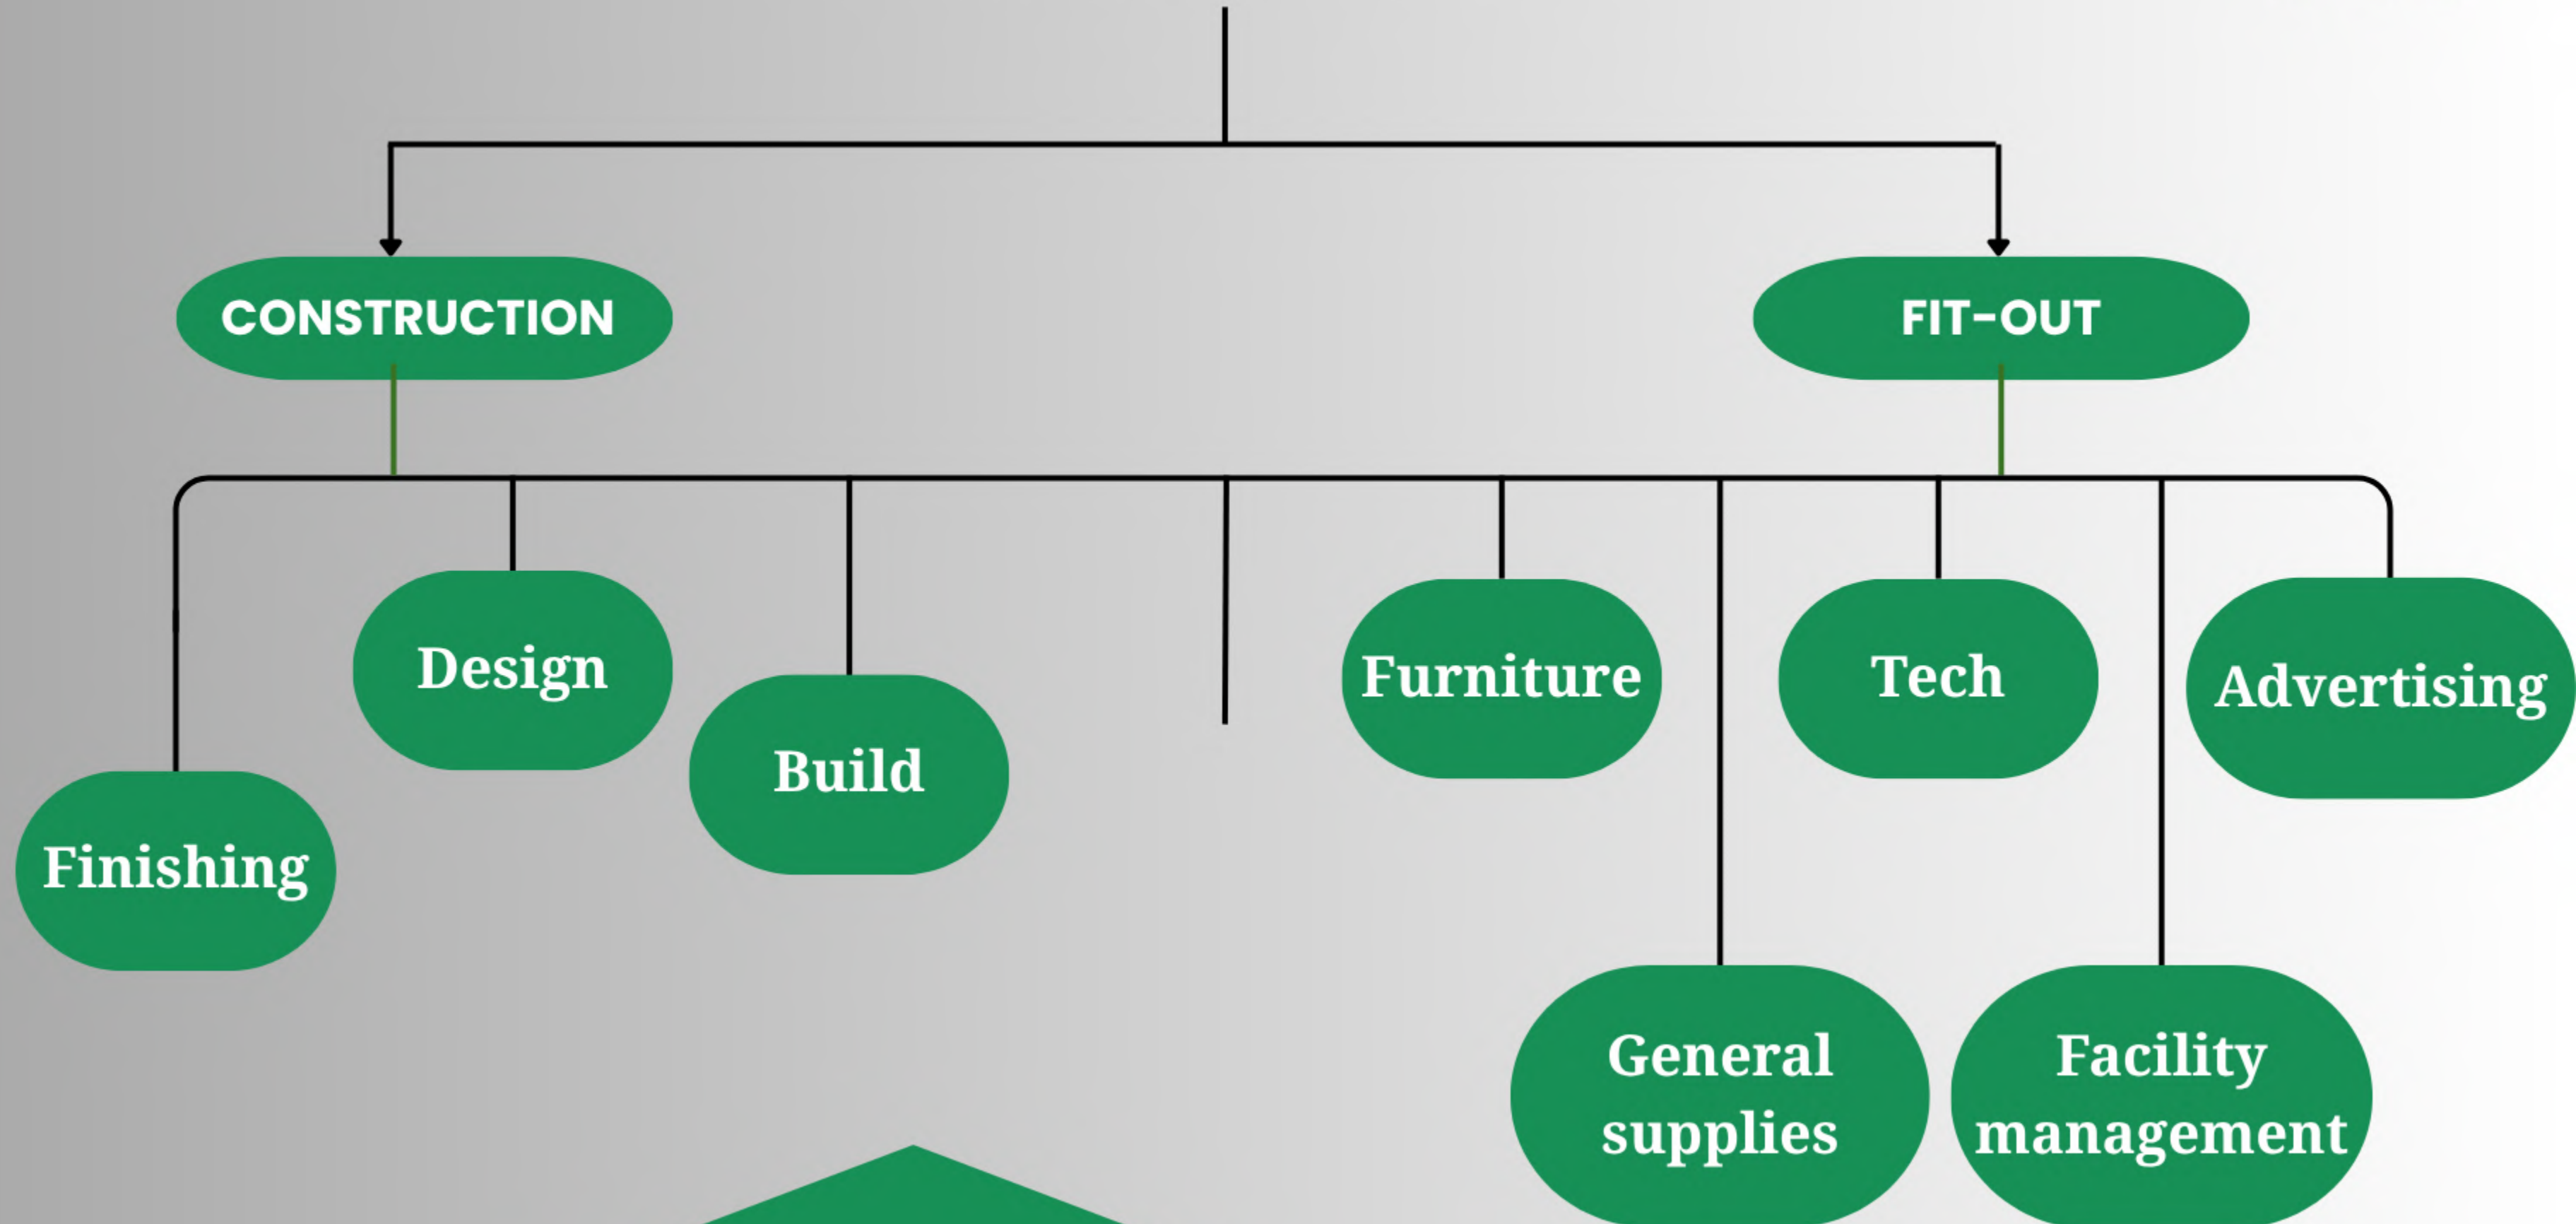

Vision

To become the leading provider of certified, innovative, and impactful business services across Egypt and the region.

Mission

We help businesses grow by delivering integrated services in construction, design, tech, advertising, and operations — combining speed, quality, and strategic thinking to ensure long-term value.

ARMED GROUP

OUR VALUES

Certified Excellence

We commit to delivering every project under certified standards (ISO, PMP, LEED), ensuring quality, safety, and environmental responsibility.

Compliance & Credibility

Legal registration, professional licensing, and civil defense approvals form the backbone of our operations.

Technology-Driven Execution

From HVAC to AV systems, we use approved, modern tools and equipment to elevate execution.

OUR VALUES

Transparency & Trust

Our strong documentation, bank guarantees, and project portfolios speak for our reliability in tenders and private deals.

Client Commitment

We tailor our construction and fit-out services to match the unique needs of every client — with accountability and flexibility.

Team Empowerment

Certified engineers, licensed designers, and safety-trained technicians lead every project with confidence.

OUR SERVICES CONSTRUCTION

Design & Construction Services

- We design, build, and finish business and residential spaces — including villas, malls, offices, hospitals, and more — delivering turnkey solutions from concept to completion.

FIT-OUT FURNITURE

Furniture & Interior Design

We offer interior design, custom furniture supply, and furniture rental tailored to each project's mood, function, and brand identity — built to maximize comfort and usability.

FIT-OUT ADVERTISING

Advertising & Brand Presence

- We help brands stand out through creative identity design, production of print materials and signage, booth design and execution for events, and billboard planning and placement.

FIT-OUT TECHNOLOGY

Technology & Security

- We integrate IT systems and security solutions such as CCTV, access control, smart infrastructure, and network setups — ensuring safe, connected, and future-ready spaces.

FIT-OUT FACILITY MANAGEMENT

Facility Management & Maintenance

- We manage and maintain full operations for properties through housekeeping, security, catering, and MEP maintenance — ensuring every building performs efficiently and professionally.

FIT-OUT SUPPLIES

General supplies

- We supply companies with everything they need to operate — from office technology and buffet tools to daily materials — ensuring reliable, fast, and consistent delivery.
